### U. S. Mother to Visit Son in Red Prison

HONG KONG, Oct. 15

(UPI)—An American mother said today she hopes to enter Communist China Tuesday to visit her prisoner son and to urge his captors to let her "take him home where he belongs."

Mrs. Ruth Redmond, 65, of Yonkers, N. Y., will be making her second prison visit to her son, Hugh, 42. She saw him last in 1958. He is serving a life sentence.
